

## **Consumer Warning about Imitative and Illegal Products**

EltaMD Skin Care strongly recommends consumers buy EltaMD products only through our authorized resellers.

To purchase EltaMD products from an approved physician or skin care professional near you, please use our online [Physician Locator](#).

EltaMD products on Amazon after 5/15/17 are authentic and are sold only by authorized resellers.

EltaMD Skin Care does not guarantee product authenticity or condition or accept any responsibility for product purchased from unauthorized reseller sites.\*

\* While some sellers of EltaMD product on unauthorized sites may have obtained their auction items in a legal manner, some of the EltaMD product sold on those sites may have been obtained illegally or are not authentic product. An obvious warning sign that product may be inauthentic or was obtained illegally is pricing that is significantly less than the standard prices offered by our authorized resellers.
